# Service CHALLENGE

## MEET OUR OFFICIAL MASCOT FOR THIS SERVICE CHALLENGE:

Martha-Tot Washingtater is a 'Revolutionary Spud' created by Idaho State Treasurer, Julie A. Ellsworth using Spuddy Buddy, the official mascot of the Idaho Potato Commission.

As an America250-in-Idaho Ambassador, she travels through-out the state with a replica Declaration of Independence inviting citizens to add their signatures.

Her creation was inspired by Martha Washington, the nation's first-1st Lady whose selfless acts of service provided aid to the troops during the revolutionary war.
